ICANN | IPC

The GNSO Intellectual Property Constituency (IPC) appreciates this opportunity to provide its views on the Non-Contracted Parties House's (NCPH) proposed election procedures for Board Seat #14. See <https://www.icann.org/public-comments/ncph-election-procedures-seat-14-2019-06-03-en>.

As ICANN notes, the Commercial Stakeholder Group (CSG) and the Non-Commercial Stakeholder Group formally approved election procedures for Board Seat #14 in February of 2019. The IPC provides this brief comment to share its full and complete support for the NCPH's negotiated approach to proposed election procedures for Board Seat #14, and for submission of these election procedures to the GNSO Council for inclusion as a new Annex to the GNSO Operating Procedures.

Respectfully Submitted,

Intellectual Property Constituency
